

White Oak Landscape
Website Inquiry: *Design Questions*

Name: _____

Phone Number (the best to contact you): _____

Email Address: _____

Date: _____

*Please answer the following questions and fax to White Oak Landscape at **770.421.1847**. One of our designers will contact you shortly to set up a Design Consultation meeting.*

1. What area(s) of your yard or landscape are most important to you in terms of what you would like to see addressed by our visit?

2. Do your thoughts for landscape development include a play area, tennis court, pool, or outdoor entertainment areas? Please list.

3. Are there areas in your yard which need attention in terms of poor drainage, privacy, shade development, etc.? Please list.

4. What types of plant materials do you especially like or dislike?

5. Do you have the time and/or interest for seasonal (annual) color and/or perennial development?

6. Overall, what is most important to you with regard to our consultation?

7. How much time each month do you or your household devote to the care and development of the landscape?

8. In the near term, what changes do you foresee to the amount of time you might have for landscape development?

9. What else is important to you?
